## ON THE LIGHTER SIDE

### MONEY

*It may not buy you happiness but with it you can be unhappy in comfort.*

*It cannot buy you friends but it does attract a better class of enemies*

*It has wings but most of us only see the tail feathers*

### FAULTS

*Women's faults are many*

*Men have only two*

*Everything they say*

*And everything they do*

*The faults of other people are like headlights of an approaching car –  
they always seem more glaring than our own*
